

Notice of Construction Update – Railroad Tracks to Mark Street

Beginning **May 27, 1st Street will be closed from the railroad tracks to Mark Street** to allow for this work.

During this closure, the City's contractor, Mid-Nebraska, will complete water main installation and storm sewer improvements.

- Paving operations for this area will begin once underground utility work is complete.
- Reopening the south driveway to the school, along with the intersections of Bryan Street and H Street, will be the first priority.

Construction Timeline

- Start of 1st Street Closure: May 27, 2025
- Anticipated Completion: Early August 2025 (weather dependent)

Resident Access & Temporary Roads

- Temporary driving surfaces will be provided to ensure access to properties.
- Residents on Bryan Street will have a **temporary roadway** from Mark Street along the west side of 1st Street for access to the cul-de-sac.

We appreciate your patience and cooperation during this time. Every effort will be made to minimize disruption and complete construction as efficiently as possible.
